

EDUCATION

Covenant University, Ogun State, Nigeria

Aug 2018 – Aug 2022

Bachelor of Science in Banking and Finance.

Academic Standing: second class upper; CGPA – 4.04/5.00.

Professional Qualification in View: ICAN- Skills Level.

ND Western Project Engagements: [See projects here](#)

- With the help of the commercial team, Mr. Femi Rufai and the CFO - Azfar Hussain, I was entrusted with delivering a project that creates effective and captivating Power B.I. visualizations for ND Western.
- Under Mr. Bright Alali's supervision, I was able to automate our monthly tax reports using Microsoft Excel VBA. We have cut redundancies in the process by over 3 hours due to this innovation.
- Under the supervision of Mr. Rafiu Jimoh, Deputy Manager of Finance, I was able to automate our interaction with the E-achieve (MR FILE) using Microsoft Excel VBA, saving the Finance department in Warri a significant amount of time and resources.
- With the help of Mrs. Patience and the other team members, I was also able to automate the audit tracking system in the finance department to enable us to focus on the delivery of other pressing tasks.

Professional Skills:

Udemy

Oct 2022

Microsoft Excel For Beginners & Advanced (VBA) Visual Basic for Applications Course

Thata Professionals.co

June 2022

Analyzing and Visualizing Data with Microsoft Excel, Power B.I, Tableau & Basic MySQL

WORK EXPERIENCE

ND Western Limited

Nigeria

Accounts /Finance -NYSC Experience

Jan 2023 – Present

- Collaborated with Mr. Bright Alali to create monthly tax schedules, reports, and instructions for FIRS and other pertinent authorities. [See projects here](#)
- Sorted, and prepared payables to be posted to the Sun system each month in collaboration with Mrs. Ajala Jumoke. We were able to develop more effective methods for automating the procedure, which resulted in a 4-hour reduction in downtime. [See projects here](#)
- Designed an automated Excel worksheet that reduced the process of uploading payables by 5-hours, saving the business money by avoiding the need to hire a third-party consultant to address the redundancy issue.
- I was also taught how to Calculate tax deductions in various scenarios by Mrs Charles Patience and best practices during Payment and Audit Assessment.
- learnt How to reconcile the cash Book with the bank statement from Mr Akinola Bakare.
- Participated in many other tasks and collaboration with different members of the Finance Team in Warri and across the AMT to ensure that our day to day operations are effective [See projects here](#)

- I was also privileged to be part of the staff who reviewed the FinanSys-App being developed for OML34.

ARM. Co Young Talent Programme (AYTP) 2022

Nigeria

Investment Manager (Team Lead)

Jun 2022 – Aug 2022

- Developed and presented a group project with eight other AYTP Interns to develop workable ideas and value propositions on how ARM can better serve its clients.
- Emerged the winner out of 4 other teams for the AYTP research project presentation.
- Through networking with other interns and current workers of the company on-site and off-site, I was able to develop significant interpersonal skills.
